## Overnighting in S.F.

Pack your overnight bag and hop one of Marin's ferries to the Ferry Terminal in San Francisco. Walk across the street, check into the Hotel Vitale and indulge in a spa treatment before dinner. In addition to Americano—a happening restaurant and bar on the premises—you can walk to numerous hot restaurants including Boulevard, the Slanted Door, Hog Island Oyster, Chaya and the latest Pat Kuleto creations, Waterbar and Epic Roasthouse.
